

2026 Archaea Symposium

Provisional Programme

MNHN (Jardin des Plantes), GGE auditorium

Day 1 | 2 April: The evolution, diversity and ecology of archaea

12:30–15:00 Session 1

Guest speaker 45'

Céline Brochier *LBBE (Laboratory of Biometry and Evolutionary Biology
UMR 5558, University of Lyon)*

5 selected oral presentations 15'

Coffee break

15:30-17:30 Session 2

Guest speaker 45'

David Moreira *(DEEM team, Ecology, Systematics and Evolution Unit,
IDEEV, AgroParisTech/CNRS/University of Paris-Saclay)*

5 selected oral presentations 15'

17:30-18:30 Poster session

Free dinner

Day 2 | 3 April: Fundamental Molecular Mechanisms

9:30-11:00 Session 3

Guest speaker via Visioconference 45'

Christa Schleper *(Archaea Biology and Ecogenomics Unit, University of
Vienna, Austria)*

3 selected oral presentations 15'

Coffee break

11:30 -12:20 Seminar for the general public: 50'

Adrienne Kish (National Museum of Natural History, Paris)
